Summary

Self-driven computer engineering student with a strong foundation in web development and React, actively building projects and strengthening problem-solving skills to contribute in real-world development environments.

Education

SAGE University, Indore

Bachelor of Technology in Computer Engineering

Indore (M.P.)

Sep 2022 – Present

CGPA: 7.39

Govt.Gandhi higher Secondary School (MP Board)

Higher Secondary: 74.6%

Rajgarh (M.P.)

2021

Skills

Languages: C++, JavaScript, HTML, CSS

Frontend: React.js, Next.js, Tailwind CSS

Backend (Basics): Node.js, Express.js, REST APIs

Databases (Basics): MongoDB

Core CS: Data Structures and Algorithms, Problem Solving

Tools & Platforms: Git, GitHub, VS Code, Postman

Experience

Web Development Intern

Innobyte Services (Remote), Demo Link.

Aug 2025

React, Next.js, Tailwind CSS, JavaScript

- Developed a responsive guesthouse booking website using React and Next.js, implementing reusable UI components to display room details, capacity, and availability.
- Integrated REST APIs to dynamically render hotel and booking data, improving data consistency and user experience.
- Styled and optimized the application using Tailwind CSS to ensure mobile-first responsiveness and cross-device compatibility.
- Deployed the project on Vercel, enabling real-time testing, version control, and production-ready access.

Web Development Intern

Octanet Services Pvt. Ltd. , Demo Link

Nov 2024

HTML, CSS, JavaScript, React.js

- Developed a desktop-friendly CocaCola landing page to practice responsive front-end design and interactive UI components.
- Enhanced skills in HTML, CSS, JavaScript, and React.js through hands-on project development.

Projects

Personal Portfolio Website

Self Project - LINK.

2025

HTML, CSS, JavaScript, React

- Designed and developed a personal portfolio website to showcase projects, technical skills, and contact information.
- Applied responsive design principles to ensure cross-device compatibility.
- Deployed using Vercel and GitHub Pages for easy access by recruiters and off-campus applications.

Prerna Foundation Website (Design Contribution)

Volunteer Contribution

2023

Canva, Image Editing

- Assisted in image editing and basic visual design to improve website presentation and visual consistency.
- Collaborated with the development team to enhance layout clarity and user experience.

Awards & Certifications

React Essential Training

LinkedIn Learning

Dec 2025

- Completed React Essential Training, covering Web Development, React.js, and Front-End Development fundamentals.

Node.js + Express.js + MongoDB

KnowledgeGate YouTube Course

2025

- Learned full-stack development concepts including Node.js, Express.js, and MongoDB through hands-on exercises.

Other Certifications

2023 – 2024

- Rajasthan IT Hackathon 2023 – Government of Rajasthan, DOITC, iStart.
- IIT Indore Bootcamp: Next-Gen UAS – Harnessing AI/ML for Communication, May 2024.
- Career Essentials in Generative AI by Microsoft — LinkedIn, Nov 2024.
